KEY MANAGEMENT PERSONNEL UPDATE

In a letter dated September 22, 2015, the NRC notified Dominion Energy Kewaunee, Inc., Dominion Energy Nuclear Connecticut, Inc., and Virginia Electric and Power Company (collectively, the Licensees) that they would retain their non-possessing facility security clearances at SECRET – National Security Information level. This letter also identified Key Management Personnel (KMP) that were granted an access authorization (security clearance). The current FSOs are identified in the attachment to this letter and have each been granted an access authorization at their facility clearance level. The NRC will be notified of future changes in the FSOs in accordance with 10 CFR 95.19(b).
