Lee,

Attached is a copy of the letter and Notice of Violation we sent you. Look at the instructions on the last page which tells you to document in your reply

- (1) The reason for the violation,
- (2) The corrective steps that have been taken and the results achieved,
- (3) Preventative actions,
- (4) The date when full compliance was achieved.

So in your reply to the notice of violation for the three violations, you were missing.

- 1) The reason the violation occurred, and
- 2) Preventative actions.

I would like for you to discuss these with you over the phone, so we do not have to send additional correspondence back and forth.

Please call me.
