Subject: [External_Sender] SERP 17-6 proceeding
Attachments: SERP 17-6 Review and Approval of Technical Report as built update with SERP notes FINAL.pdf

Hi Ron:

As we discussed this morning attached please find the SERP analysis conducted for SERP 17-6.

I will follow-up with a letter requesting correction of our July 30, 2015 submittal under License Condition 12.7 next week.

Please let me know if you have any questions.

Thanks
Mike
