RE: Amendment to NRC License No. 21-01549-02 MidMichigan Health

Dear Mr. Strohmeyer:

I am sending this letter as additional information regarding a license amendment request that is currently under your review. In my previous letter dated May 5th, 2018, I had requested to add Jeffrey Martindale, DO as an authorized user for 10 CFR 35.100 and 35.200. At this time I would like to withdraw this request to add Dr. Martindale as an authorized user, and will follow-up with a separate amendment to add him at a later time.

If you have any further questions, please feel free to contact me at any time (989-839-1407). Thank you.

Sincerely,

Victor D. Hosfeld, MS, DABR

Hello Daniel,

Please see the attached letter, withdrawing the request for Dr. Martindale's approval as an AU. If you get a quick chance, can you let me know that you received this email? Thank you, Daniel.
