Good day Philippe,

By letter dated July 10, 2018, Pacific Gas & Electric Company (PGE) submitted an application for renewal of the Humboldt Bay site-specific Independent Spent Fuel Storage Installation license, SNM-2514. This email acknowledges NRC receipt of your application. The application, including the Final Safety Analysis Report was fully added to NRC's Agencywide Documents Access and Management System (ADAMS) on August 3, 2018 (ADAMS Accession No. ML18215A213), and made public on August 7, 2018. Our acceptance review of the application has started, with the goal to notify you of the results of our acceptance review within 60 days.

Please contact me if you have any questions.

Thank you,
Chris
