## REGULATORY DOCKET FILE COPY

Dear Mr. Logan:

On December 30, 1975, Mr. Walter Butler requested that Carolina Power & Light Company assign a coordinator for the local public document rooms for the Brunswick Steam Electric Plant and the Shearon Harris Nuclear Power Plant. We have arranged for Mr. James Rutherford to coordinate periodic assessment of the status of these public document rooms. Mr. Rutherford's address and phone number are:

Carolina Power & Light Company  
P. O. Box 1551  
Raleigh, North Carolina 27602  
(919) 828-8211, Ext. 2495

We recognize the responsibility the NRC has undertaken in supplying and maintaining the public document rooms, and we are glad to respond to your request by offering a measure of assistance at this time consistent with the requirements of our other administrative duties.

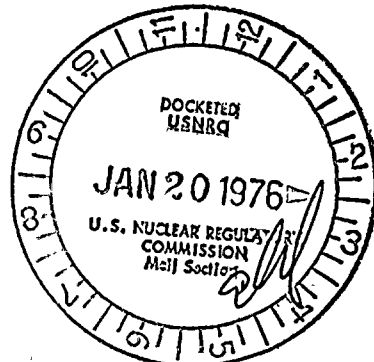

We hope that this information is sufficient.

Yours very truly,
