Annette L. Vietti-Cook
Secretary
U.S. Nuclear Regulatory Commission
Washington D.C. 20555-0001

Dear Ms. Vietti-Cook,

Annette
This is to inform you that I am resigning from the Chairmanship of the Licensing Support Network Advisory Review Panel (LSNARP) effective August 21, 2018.

It has been an honor to have served as Chairman of the panel since 2000 and I look forward to seeing the decisions the Commission makes should funding for the High-Level Waste Proceeding become available through future Congressional appropriations.

It has been a pleasure working with the dedicated SECY, ASLBP, and OCIO staff who over the years have put long hours into supporting the Commission.

Sincerely,

Andrew L. Bates
