RE: 2018 Bond Amount for AUC LLC, Reno Creek ISR Project, PT0824

Dear Mr. Huffman:

The information presented in the 2017-2018 Annual Report for PT0824 has been reviewed by the Land Quality Division (LQD) District 3 staff and the Annual Inspection required by W.S. §35-11-411(c) was conducted on August 2, 2018.

In accordance with W.S. §35-11-411(d), the bond amount is set at \$73,973. This represents no change from the total bond amount currently held by LQD.

This bond amount is based only on an estimate of the cost of the state performing reclamation in the event of bond forfeiture. If this estimate proves to be less than the amount required, the Department will bring suit to recover the additional cost as allowed under W.S. §35-11-422.

If you have questions regarding the bond amount, please contact Luke McMahan, LQD District 3 at (307) 675-5619.

Sincerely,

Todd Parfitt
Director
