Dear Nuclear Regulatory Commission Staff:

Reject Holtec International's application for a Consolidated "Interim" Storage Facility (CISF) for high level nuclear waste. It is an ILLEGAL DUMP.

Reject and do not rely on the Environmental Report done by Tetra Tech for Holtec. . Based on this track record, Tetra Tech cannot be trusted to assess environmental impacts of the proposed Holtec dump.

The proposed area has valuable industries including pecan, cattle ranches, dairy, and other local farming interests that would be threatened by the site.
