**Address:**

1105 Facet View Way  
Research and Development  
Valrico, FL, 33594

**Email:** cruzinpr@outlook.com

## General Comment

Proposed Rules have not been clarified , BOP integration into guidelines seems feasible but this should have been integrated which questions lessons learned . Now your interpretation of rules is unclarified .I understand that classified data are incorporated . If BOP are now being integrated I am in agreement . Please revisit War Crimes rules of engagement and implications in lessons learned . It is also recommended that you revisit International Court and implications related to proposed rules.
