SUBJECT: VOID LETTER CONCERNING APPLICATION FOR A NEW LICENSE,
CONTROL NO. 609089

Dear Dr. Skaf:

This concerns the subject application for a new license and our written communications in which we notified you that the application was deficient and that certain additional information was required. To date, we have not received a response to our written communications.

The NRC has concluded that you are no longer pursuing this application for a new license. Therefore, you are hereby notified that this application has been voided without prejudice. You can resubmit the license application and the requested information within one year without the need to resubmit an application fee.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

/RA/

Roberto J. Torres, M.S., Senior Health Physicist
Materials Licensing and Inspection Branch
