SUBJECT: RECEIPT OF S. COMLEY'S SEPTEMBER 6, 2018 VOICEMAIL

Dear Mr. Comley:

I writing to acknowledge receipt of your voicemail on September 6, 2018. Please be informed that I did not take; therefore, do not have any notes from this deleted voicemail. That said, I did not hear or identify any new safety and security issue(s) within the NRC's regulatory purview in this voicemail.

If you have new issues that you have not previously communicated to the NRC, I request that you submit the issues in writing via electronic mail. Please reference my April 12, 2017, letter to you with the original request and its basis (ML17104A068). Written communications help us ensure that the public record reflects your issues exactly as you communicate them to us and helps prevent misunderstandings. If your written correspondence provides new information regarding Seabrook Station, or other NRC licensees' activity, we will review the information and take appropriate action as it pertains to safety and security.

Sincerely,

Fred Bower, Chief
Reactor Projects Branch 3
Division of Reactor Projects

Fred Bower
