Subject: [External_Sender] Agreement to the Revised NRC License Conditions for the Smith Ranch Highland Mine
Date: Thursday, September 13, 2018 3:03:07 PM

Doug,

I am writing this email to I am writing to inform NRC that Cameco Resources will accept the License Conditions to the Smith Ranch Highland License, SUA-1548 with the changes that were discussed at yesterday's meeting.

Section 10.1.1 Add Satellite #3 to the list of facilities.

Section 10.1.2 Modifying opening statement to reference Section 4.1.3 of the license application. I reviewed the license application and would suggest referencing Section 4.1.2 of the license application which describes the operation of the Smith Ranch Dryers. Section 4.1.3 discusses the removal of the calciner and the modifications to the HUP plant.

Section 10.1.11 Will follow NRC suggestion for documenting the sampling and the results.

Section 10.1.16 No changes to the language.

Section 10.1.19 No changes to the language. Will follow NRC suggestions from the meeting.

If you have any questions or comments please call or send an email to my contact information found below.

Thanks,

Larry
