NRC 2018-2019 Information Digest Now Available Online

The Nuclear Regulatory Commission has published the 2018-2019 edition of its Information Digest, which describes the agency's responsibilities and activities and provides general information on nuclear-related topics. This latest edition, NUREG-1350, Volume 30, is intended to serve as a quick reference for notable facts regarding the agency and the industry it regulates, in an easy-to-use format that includes visual aids.

The Information Digest is published annually and is available electronically on the [NRC website](#). The electronic version of the Digest has embedded hyperlinks for easy access to additional information on major topics. The NRC [graphics](#), [figures](#), [maps](#), and [data sets](#) are also available online.

In addition, a print or CD copy will be available in September 2018, upon written request to the U.S. Nuclear Regulatory Commission, Office of Administration, Publications Branch, Washington, D.C. 20555-0001. Requests can also be sent by email to distribution.resource@nrc.gov, or by fax to 301-415-2289.
