Discussion: I asked Mr. Rhoe if the future correspondence regarding the license would be the same address and he said yes. I asked him who signed the document for certifying Officer and the title of the person. He did not know and would need to find out. I asked if he had documentation to say the InstaTek of California had a license to receive the gauges and if he had documentation that they received the gauges. He said that he would send me the documentation. He asked me to text him my email address, which I did.
