NRC Docket #50-354

Subject: Submittal of Initial License Training Examination Materials

Enclosed are the examination materials, which Hope Creek is submitting in support of the Initial License Examination, scheduled for the week of July 23, 2018 at the Hope Creek Generating Station.

This submittal includes the Administrative Topics of the Walkthrough portion of the Reactor Operator Operating Test.

The examination materials have been developed in accordance with NUREG-1021, "Operator Licensing Examination Standards," Revision 11. Please note that reference materials are attached to each individual examination item.

In accordance with NUREG 1021, Revision 11, Section ES-201, please ensure that these materials are withheld from public disclosure until after the examinations are complete.

There are no regulatory commitments contained in this letter.

Should you have any questions concerning this letter, please contact the Operations Training Manager, Mark Shaffer at 856-339-1820.

Respectfully,
