REQUEST TO EXPEDITE

Amendment to NRC License No. 13-01284-02

Parkview Health

Dear Ms. Casey:

We wish to expedite the amendment request previously submitted to remove the address of use listed at 710 North East Street, Wabash, IN 46992 from NRC license # 13-01284-02. The reason for this request is due to demolition of this facility. The demolition has been delayed until the NRC approval for unrestricted use. The target date to be able to get start the bids is January 2, 2019 so that we can look at demolition in February, 2019. We would greatly appreciate release of this address of use as of December 10, 2018.

The Imaging manager has been at Parkview Wabash since June 2011. Therapies under 35.300 and in-vitro studies under 31.11 have not been performed since she joined Wabash Hospital in 2011, nor under the entity of Parkview Wabash Hospital which became effective, January 1, 2015.

If you have any questions regarding this matter, please contact our Medical Physics Consultant, Sharon Updike, MHP, DABR at 734-662-3197 and / or by email at supdike@mpcphysics.com.

Sincerely,

Joseph M. Wolfcale
