My name is James Ingarra, I am the RSO on license 06-13611-01 for Milford Hospital in Milford Connecticut. I have been notified by our administration that as of December 1st, the current authorized user will no longer be employed here at Milford Hospital. I was given the name and credentials of the new authorized user that we wish to add to our license effective December 1st at 12:00am. I would also like to request expedited processing for this request so that we may continue patient care on December 1st. Dr. Lawrence Saperstein, M.D. will be our authorized user. He is currently listed as an authorized user and is the Chief of Nuclear Medicine at Yale New Haven Hospital License 06-00819-03.
