DOCKET 50-255 - LICENSE DPR-20 -
PALISADES PLANT - SEISMIC QUALIFICATION

Consumers Power verbally committed on April 14, 1978 to review Facility Changes and specification Field Changes that have been made to safety-related panels, consoles, motor control centers, etc, at the Palisades Plant.

This item has been discussed with plant staff who will tabulate all changes and transmit to the General Office for further evaluation with respect to the seismic qualification of each item.

Consumers Power will submit to the Region III office a status report of the review and evaluation within 45 days.
