REF: Follow up to November 27, 2018 Letter
Mail Control No. 610275
NRC Inspection Number 0315161
License No. 47-10136-03

Dear Mr. Laywer

The purpose of this letter is to follow up with the letter sent on November 27, 2018.

In the referenced letter, it was stated that Radiation Technologies was to be on site to help facilitate the shipment of the Agilent Technologies detector cell. This work has been completed and the shipment has been sent. The tracking for your reference is FedEx 4627-8724-7872. I have attached a copy of the pick-up details to this letter.

With the completion of this action item, the required surveillances associated with our radiation safety program are current.

Please see contact information below for any clarification or additional information is needed.

Sincerely,

David Fenton
