Docket No.: 030-38382

MC No.: 610472

Ms. Gale,

As I discussed with you on the telephone, we need additional information to complete your action. It has come to our attention that all correspondence has been going to your personal address. This can continue, but please have an appropriate manager sign a letter including the following information. Previously, correspondence was signed by the EHS Manager.

- The manager approves Ms. Gale to speak on behalf of General Electric Company for all matters pertaining to NRC License No. 06-32815-01.
- The manager understands and approves that all documentation pertaining to NRC License No. 06-32815-01 will go to Ms. Gale's personal address.
- Provide a title and contact telephone number for the senior manager that the NRC can contact, should Ms. Gale become unavailable for any reason. Preferably the telephone number would be a primary office telephone number, unlikely to change if there are any staffing changes.

Ideally, you would email a signed and scanned copy of the letter to this email address. If you have any questions, feel free to contact me with any of the contact information below.
