Subject: Statement on Annual Test Letter

Dear Mr. Lawyer,

Per your request, I write in response to your recent communication regarding Yale University's Annual Financial Test Submittal letter dated September 21, 2018. You have requested a statement clarifying the listed Certified Amount for license number 06-00183-03 in the table within that letter.

The Yale University letter dated September 21, 2018 indicated the *Certified Amount or Current Cost Estimate* for this license is \$1,055,726. This figure represents the current cost estimate from the 2018 updated Decommissioning Funding Plan (DFP) accepted by the NRC in July, 2018. Yale's Self Guarantee and Certificate of Financial Assurance documents still list the previous amount of \$ 1,076,670. The September 21<sup>st</sup> letter should have thus listed this figure (\$ 1,076,670) instead of the current Cost Estimate amount (\$ 1,055,726) from the latest DFP update.

Thank you for noting that this needed clarification and for accepting this written statement as a correction.

I can be reached at 203.737.2140 or via email at [tammy.stemen@yale.edu](mailto:tammy.stemen@yale.edu) if you have any further questions.

Sincerely,

Tammy Stemen, CHP  
Radiation Safety Officer
