Dear Mr. Shumway,

This is in reference to your letter dated November 12, 2018, requesting for amendment to Nuclear Regulatory Commission License No. 37-23370-01, Docket No. 03020982. In order to continue our review, we need the following additional information:

You have requested a new location of storage on your license. NUREG-1556, Volume 2, Rev. 1, "Consolidated Guidance About Materials Licenses Program-Specific Guidance About Industrial Radiography Licenses," states in section 8.9, when requesting a field station, please provide the following information:

- Describe the storage location and submit a diagram showing where the radiography camera will be stored at the field stations.
- Indicate whether or not industrial radiography will be performed at the place of business outside of a field station.
- If radiography will be performed at a site outside of a field station, provide a diagram of the location where industrial radiography may be performed and its surroundings, including a description of adjacent property.

Please provide this information.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 610482. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application OR amendment request.
