RE: 2016 Nuclear Energy Liability

Dear NRC Document Control Desk:

Enclosed for your files are the certified copies of the American Nuclear Insurers (ANI) "Evidence of Financial Protection (EFP)" for licensees noted in the enclosed table, which indicates ANI policy Numbers, to who the policies are issued.

If you have any questions, please do not hesitate to contact me.

Regards,

Michael L. Wilson

EVIDENCE OF FINANCIAL PROTECTION

To: Document Control Desk
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

This is to confirm that there is in force as of the effective date of this Evidence of Financial Protection, a Nuclear Energy Liability Policy (Facility Form), a certificate to the Master Worker Policy [Nuclear Energy Liability Policy (Facility Worker Form)], and one or more certificates to Master Policy No. 1 [Nuclear Energy Liability Insurance (Secondary Financial Protection)] issued by the members of American Nuclear Insurers, hereafter called the "companies", to the Insured named herein, with respect to the Nuclear Facility at the Location stated below. If such policy and/or certificates are cancelled or otherwise terminated prior to the end of December 31st of the calendar year in which the Effective Date of this Evidence of Financial Protection occurs, the companies will mail written notice thereof to the United States Nuclear Regulatory Commission in accordance with policy provisions and this Evidence of Financial Protection shall thereupon terminate. Otherwise this Evidence of Financial Protection shall terminate as of the end of such December 31st.
