Dear Sir or Madam:

By letter dated August 28, 2015 (Reference 1), the USNRC issued a revised NRC Form 311 Quality Assurance Program Approval for Radioactive Material Packages to Entergy Nuclear Northeast, Entergy Nuclear Operations, Inc. - Vermont Yankee. By letter dated October 11, 2018 (Reference 2), the USNRC provided consent to the direct and indirect transfer of the Vermont Yankee (VY) license from Entergy Nuclear Operations, Inc. (ENOI) and Entergy Nuclear Vermont Yankee, to NorthStar Nuclear Decommissioning Company, LLC (NDC). On May 1, 2018, (Reference 3), the USNRC approved the VY Quality Assurance Program Manual (QAPM), Revision 7. This change to the QAPM reflects the transition of the decommissioning status of VY following the completion of the transfer of all spent nuclear fuel from the spent fuel pool to dry fuel storage in the ISFSI, and represented a reduction in commitments from the previously approved VY QAPM. The VY QAPM satisfies the requirements of 10 CFR 50 Appendix B, 10 CFR 71 Subpart H, and 10 CFR 72 Subpart G.

Pursuant to 10 CFR 101(f), this letter notifies the NRC of VY's intent to apply our previously approved QAPM (including any subsequent changes that did not constitute a reduction in commitment) to transportation activities.

In accordance with 10 CFR 101(f), ENOI, on behalf of NorthStar NDC, hereby requests the following changes to the subject Form 311 Quality Assurance Program Approval for Radioactive Material Packages:

- 1) Revise Block 2 "Name" to:
NorthStar Vermont Yankee, LLC and NorthStar Nuclear Decommissioning Company,
LLC - Vermont Yankee
- 2) Revise Block 2 "Street Address" to:
320 Governor Hunt Road
- 3) Revise Block 2 "City" and "Zip Code" to:
Vernon and 05354

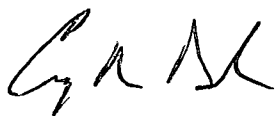

A marked up copy of the NRC Form 311 has been provided as an attachment to this letter.

VY requests that this change be approved as soon as practical and will be effective upon issuance coupled with the completed transfer of the VY License.

This letter contains no new regulatory commitments.

Should you have any questions concerning this letter, or require additional information, please contact Mr. Thomas B. Silko at (802) 451-3166.

Sincerely,

CRD/tbs
