Discussion: I discussed the corrections needed on the DFP with Mr. Brisbin. He then stated that the licensee's activities are being separated and that most of the radiological activities are being placed onto a Region III, NRC License. The first change in the organization is planned to happen February 1st, 2019. I discussed that we make changes to the financial assurance after the amendments are completed on the licenses. Based upon the discussion, financial assurance may be returned for this particular license.

Action Required: Complete the reorganization and adjust the financial assurance as needed.
