Re: Amend Adjustment to our NRC License # 21-16560-01

Dear Radioactive Material License Division

Please Allow Jan X-Ray Services Inc. to add an adjustment to the amendment we just sent in for our NRC License # 21-16560-01:

- Item Q on our license lists (1) QSA Model 773 Calibrator and (1) QSA Model CDC.800 Series source with a total of 200 millicuries. I need it to be revised to list (3) QSA Model 773 Calibrators and (3) QSA Model CDC.800 Series source with a total of 600 millicuries.

Mr. Reeve will be the contact regarding this license. Please do not hesitate to contact him if you have any questions or concerns. His contact information is as follows:

William (Bill) D Reeve  
Office (517) 531-8210 Ext: 1019  
Cell (517) 257-8625  
[Bill.reeve@janxndt.com](mailto:Bill.reeve@janxndt.com)

Thank you for your assistance with this request.

Sincerely,

A handwritten signature in black ink, appearing to read "William D Reeve", followed by a long horizontal line.

Radiation Safety Officer  
JAN X-Ray Services Inc.

ATTACHMENTS:

1. Decommission survey for 9560 E Remus Road, Mt. Pleasant, MI 48858-8102
2. Calibration document for the instrument utilized to test the decommissioning survey for; 9560 E Remus Road, Mt. Pleasant, MI 48858-8102

Frank

Attached is the adjusted License Amendment we discussed on Friday. Please add this items to the amendment request I sent in last week. Ryan and Jason would be able to assist you if you have any questions regarding this issue. They discovered it during their inspection last week. Please do not hesitate to contact me should you have any questions.

Sincerely

**Bill Reeve**
