Re: Freedom of information act request for a list of healthcare providers utilizing radioisotopes for use in prostate brachytherapy

To whom it may concern:

This is a request under the Freedom of Information Act. I hereby request copies of the following records: A list of healthcare providers utilizing radioisotopes for use in prostate brachytherapy in the states over which you have jurisdiction.

As the FOIA requires, please release all reasonably nonexempt portions of this data. If possible, it would be preferable to have this in an excel csv format.

In order to help to determine my status to assess fees, you should know that I am affiliated with an educational scientific institution, and this request is made for a scholarly purpose and not for commercial use. I am willing to pay fees for this request up to a maximum of \$1000. If you estimate that the fees will exceed this limit, please inform me before processing my request.

If you have any questions regarding this request, please contact me at 267-424-9509 or awad.ahmed@hsmiami.org. I look forward to receiving your response. Thank you for your consideration of this request.

Sincerely,

Awad A. Ahmed
