US NRC

Materials Licensing Branch

US Nuclear Regulatory commission, Region III

2443 Warrenville Road, Ste 210

Lisle, IL 60532-4352

This letter is notification of our intent to sell our nuclear business for material license #21-26539-01, issued to Cats Radio-Iodine Treatment Centers, 43727 Gratiot, Clinton Twp., Michigan.

The new owner is a current Authorized User on our license. We will change the mailing address of the Nuclear License, but nothing else at this time is intended on changing. We do not intend on closing, just continuing the business as is at all sites listed on our nuclear license with the same authorized users and radiation safety officer, we do not intend on changing any aspect of our locations, processes, security, or methods of use.

Please contact Laura Smith 586 808 3058 or email at lsphysics@att.net for any questions.

Sincerely,

Dan H. Marshall, DVM
Owner
