Additional Information Needed for License Renewal

SUMMARY

During our review of your license renewal application dated August 14, 2018, it appeared that your application had not been completely prepared in accordance with the guidance in NUREG 1556, Vol. 1, Rev. 2, "Consolidated Guidance about Materials Licenses: Program-Specific Guidance about Portable Gauge Licenses."

1. Please review the applicable guidance in NUREG 1556, Vol. 1, Rev. 2 and the attached license application checklist. You will need to resubmit your application addressing all the areas discussed in the checklist.
2. In your application, you did not indicate if you intend to use gauges at temporary job sites. In addition, your NRC form 313 did not reference the correct license number and was not signed by senior management. Please indicate in your response if you will be using the gauges at temporary job sites, reference the appropriate NRC license number, and have NRC form 313 signed by senior management.
3. In your application, you did not provide facility drawings for the areas where gauges will be stored. In your response please provide a current facility diagram.
