TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IP 81000.06, "Protection of Safeguards Information," has been issued to support operational program inspections described in IMC 2200, "Security Inspection Program for Construction."

IP 81505, "Protection of Safeguards Information for Construction," has been issued to support inspections of the construction program, as described in IMC 2504, "Construction Inspection Program – Inspection of Construction and Operational Programs." This IP is replacing the use of IP 71130.06, which became "as needed" in CY 2019. Upon completion of a SUNSI review, the staff concluded that this document does not need to be controlled, and can be made public.
