Hi, Margie:

Thanks for e-mailing the forms. I was in a meeting, but I took a look at the signed proposed and direct final rules. May I ask that you add today's date, remove the yellow highlight, and digitally sign each rule again? Attached is the latest draft revision of the [MS Word Digital Signature Step-by-Step User Guide \(ML18221A383\)](#).

Either Carol (301-415-3463) or I would be glad to come up if you would like, at your convenience. We also will bring a hard copy of the user to you.

Sincerely,
Helen
