Hi, Kim,

Here are Cindy's revisions to the Amendment 6 package (her first e-mail below didn't attach the cover memo, but her follow-up e-mail with that file is attached above.) I've accepted all of her changes, merged them with yours, and saved them into their [ADAMS package](#). (If this link doesn't open it, you can use the original link at the bottom of this e-mail trail.)

Now you can complete your concurrence review with the versions of the ADAMS documents that incorporate RASB's concurrence revisions. Please let me know if you have additional revisions, or concur in all the documents, and I'll forward the ML # to OGC's mailbox with a request for them to start their NLO review.

Cindy,

My apologies. I should have asked Angella to send you this package for your concurrence review when she sent it to Kim last week. It incorporates Carol's edits.
