K&D Industrial Services, Inc. was contracted by DLZ Drilling on the behalf of the Michigan Department of Transportation to conduct a waste remediation project at the former Mechanical Facility noted above. The property is to be demolished to make way for the Gordie Howe Bridge Project. Upon conducting the remediation of the site, K&D located, removed, wiped down, packaged, and finally shipped the above sign to a licensed Radioactive Materials Facility for Disposal/Recycling. The process was performed under the direction of Lampmaster Recycling Services, Blvd. of Cincinnati Ohio. Please find the attached Certificate of Recycling received from Lampmaster Recycling Services, LLC. Verifying they received and accepted the sign for Disposal/Recycling.
