Subject: Crystal River Unit 3 – Proprietary Document Affidavit for 50.83 Partial Site Release

References: 1. CR-3 to NRC letter dated January 22, 2019, "Crystal River Unit 3 – Partial Site Release Request" (ADAMS Accession No. ML 19022A076)

Dear Sir:

In accordance with 10 CFR 50.83(b), Duke Energy Florida, LLC (DEF), submitted a request for approval to remove a portion of the site from the Crystal River Nuclear Plant (CR3) Part 50 license (License No. DPR-72) (Reference 1). Specifically, DEF requested approval to remove the non-impacted survey units from its Part 50 license in accordance with 10 CFR 50.83(b), "Release of part of a power reactor facility or site for unrestricted use".

Attachment 3 to the above-mentioned submittal included a computer disk (CD) containing the non-NRC references. On this CD, documents six (6) through thirteen (13) consist of proprietary information that is considered confidential.

Attachment 1, of this letter, is an affidavit which contains the basis for the proprietary requirement of those documents.

This correspondence contains no new regulatory commitments.

If you have any questions regarding this submittal, please contact Mr. Mark Van Sicklen, Licensing Lead, Nuclear Regulatory Affairs, at (352) 501-3045.

Sincerely,

Phyllis A. Dixon

## EnergySolutions PROPRIETARY INFORMATION AFFIDAVIT

Affidavit of Gerard van Noordennen, Vice President Regulatory Affairs, EnergySolutions

Duke Energy Florida, LLC submitted a partial site release request for Crystal River Unit 3 to the U.S. Nuclear Regulatory Commission by letter dated January 22, 2019. Attachment 3 of this submittal contained a computer disk of seventeen documents referenced in Attachment 1, Crystal River Energy Complex, Supporting Information for Request for Partial Site Release. Documents six (6) through thirteen (13) in Attachment 3 consist of proprietary information that EnergySolutions considers confidential. Release of this information would cause irreparable harm to the competitive position of EnergySolutions. This basis for this declaration is:

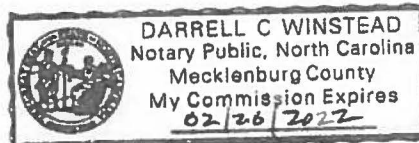

- I. This information is owned and maintained as proprietary by EnergySolutions,
- II. This information is routinely held in confidence by EnergySolutions and not disclosed to the public,
- III. This information is being requested to be held in confidence by the NRC by this petition,
- IV. This information is not available in public sources,
- V. This information would cause substantial harm to EnergySolutions if it were released publicly, and
- VI. The information to be withheld was transmitted to the NRC in confidence.

I, Gerard van Noordennen, being duly sworn, state that I am the person who subscribes my name to the foregoing statement, I am authorized to execute the Affidavit on behalf of EnergySolutions, and that the matters and facts set forth in the statement are true to the best of my knowledge, information, and belief.
