APNGA
Annual Refresher Training for Portable Nuclear Gauges

Certificate of Completion to:
Robert Velarde

Date:
November 1, 2018

This class covers Annual Refresher Training for portable nuclear gauge operators and for non gauge staff that need a general knowledge and familiarization class. The class covers:

- Safety
- Radiation Safety Program Review
- Operating Procedures Review
- Security
- Emergency Procedures/Response Review
- Incident Review
- New Guidance Coverage

The organization RSO/Official should also re-familiarize the employee with state specific regulations and the company radiation safety program, specifically gauge safety operating and emergency response procedures.

The acknowledgement and signature of the RSO/Official makes the training and certificate relevant and valid.
