Dear Dr. Harnett;

This letter is in response to your letter dated January 14, 2019, regarding the move of your facility to 1417 Marshall Ave., Williston, Vermont 05495. In order for us to continue our review we request that you provide the following additional information:

1. Please confirm that all procedures for the safe handling and use, including disposal, of licensed materials contained in your application dated April 15, 2009 (ML091240569) will be used at the new facility;
2. Please confirm that the procedure for "After Care of Radioactive Patients" contained in your application dated April 15, 2009 (ML091240569) will be used at the new facility;
3. Please confirm that all other commitments contained in your application dated April 15, 2009 (ML091240569) (radiation safety training for staff, dosimetry, radiation protection program, etc.) will be used at the new facility;
4. Please describe how licensed materials will be delivered to your new facility and include your procedures for receipt, storage, and security;
5. Please confirm that all required postings (NRC Form 3 "Notice to Employees," Caution Radioactive Materials, etc.) will be properly posted prior to receipt of licensed material.

We will continue our review upon receipt of the information requested above. Please contact Robert Gallagher at (610) 337-5182 or by email at [Robert.gallagher@nrc.gov](mailto:Robert.gallagher@nrc.gov) with any questions.

Regards,
