Native American Consultations

This is a county-by-county working list generated from an HPD ethnographic study, the National Park Service's Native American Consultation Database, and tribes telling us they wish to be consulted for "certain projects" in that specific county. We are always in the process of updating and refining consultative efforts. It is NOT a definitive list, and may change depending on the type and location of the proposed project. We will continue to work with agencies and Native American Tribal Governments to develop and keep current an identification of area interest system. Tribes wishing to amend or change their areas of geographic interest should contact HPD.
