AFFIDAVIT

I, Elicia Sanchez, Senior Vice President of Key Initiatives and Communication at Waste Control Specialists LLC (WCS), am making the following representations that to the best of my knowledge and beliefs:

1. The following document which WCS wishes to have withheld from public disclosure is:
 - a) **Emergency Information List which is part of the RAI EP-8 response.**
 - b) **Marked SAR sections associated with RAIs NP-2.2-1 and NP-2.2-2 responses.**
2. The information contained in the document cited in 1 above is considered confidential information pursuant to Title 10 of the Code of Federal Regulations (CFR), Part 2.390(a)(4) and is thereby protected from public disclosure by regulation.
3. Pursuant to 10 CFR 2.390, the information contained in the document cited in 1 above is protected from public disclosure by regulation because it includes correspondences and reports to the NRC which contain trade secrets or commercial information pursuant to 10 CFR 2.390(a)(4).
4. The information contained in the document cited in 1 above has not been made available to public sources by WCS, nor has WCS authorized that it be made available.

MONTGOMERY

I, Jeffery Isakson, depose and say that I am Chief Executive Officer/President; Interim Storage Partners LLC duly authorized to execute this affidavit, and have reviewed or caused to have reviewed the information that is identified as proprietary and referenced in the paragraph immediately below. I am submitting this affidavit in conformance with the provisions of 10 CFR 2.390 of the Commission's regulations for withholding this information.

The information for which proprietary treatment is sought applies to the following documents listed below:

- Calculation WCS01-0211, Hazard Analysis of Gas Pipeline for WCS CISF, Revision 0
- Calculation 1BAT5D001-CALC-01, Aircraft Hazard Evaluation Of The Consolidated Interim Storage Facility (CISF), Revision 0

These documents have been appropriately designated as proprietary.

I have personal knowledge of the criteria and procedures utilized by Interim Storage Partners LLC in designating information as a trade secret, privileged or as confidential commercial or financial information.

Pursuant to the provisions of paragraph (b) (4) of Section 2.390 of the Commission's regulations, the following is furnished for consideration by the Commission in determining whether the information sought to be withheld from public disclosure, included in the above referenced document, should be withheld.

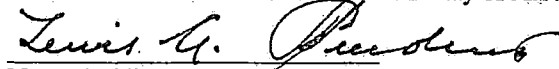

- 1) The information sought to be withheld from public disclosure involves calculations related to the design of the WCS CISF, which are owned and have been held in confidence by Interim Storage Partners LLC.
- 2) The information is of a type customarily held in confidence by Interim Storage Partners LLC, and not customarily disclosed to the public. Interim Storage Partners LLC has a rational basis for determining the types of information customarily held in confidence by it.
- 3) Public disclosure of the information is likely to cause substantial harm to the competitive position of Interim Storage Partners LLC, because the information consists of descriptions of the design and analysis of the WCS CISF, the application of which provide a competitive economic advantage. The availability of such information to competitors would enable them to modify their product to better compete with Interim Storage Partners LLC, take marketing or other actions to improve their product's position or impair the position of Interim Storage Partners LLC product, and avoid developing similar data and analyses in support of their processes, methods or apparatus.

Further the deponent sayeth not.

Jeffery Isakson
Chief Executive Officer/President, Interim Storage Partners LLC
