

Task Interface Agreement Program Enhancement

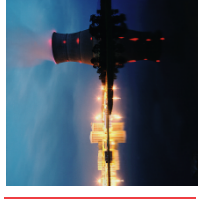

Mandy Halter
Director, Nuclear Licensing
Entergy

March 19, 2019

Energy Recommendations

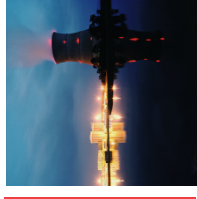

- Enhance Communication
- Enhance TIA Coordinator Position

Enhance Communication

Increase openness and transparency with all stakeholders

- Communication with requesting organizations
- Communication with licensee
 - Draft / final TIA questions, milestones
 - Frequent joint NRR / requesting organization status communication with licensee
- Public availability of finalized TIA questions and established milestones, metrics results, TIA library

Enhance TIA Coordinator Position

- Role of influence and peer leadership
- Experience
 - Technical
 - Licensing
- Drive development of coordinated positions
- Preservation of management resources
