Dave:

Appendix A is identical to the submission in ML18248A260, both are 4 pages. However, Appendix B (Crosswalk of NRC License and Other Obligation Gaps) is 24 pages unfiltered and 9 pages in submission ML18248A260, which is the filtered version. Appendix C (Crosswalk of OSHA Obligation Gaps) is 55 pages unfiltered and 28 pages in submission ML18248A260, which is the filtered version. Since NRC only received the "filtered" versions of Appendix A and Appendix B, this was the basis for the request of the "unfiltered" versions.

Thank you for the unfiltered submissions.

Ron
