Good Morning Dr. Doss,

Vanessa Cox is currently on a rotation, and I am serving as her back up during this time. She sent me your request, this morning, regarding a status update on PRM 20-30. The closing package for this PRM was signed by the Executive Director for Operations on January 15, 2019, and is currently being reviewed by the Commission. We cannot provide an estimate on how long the Commission review will take, but we will continue to provide you with an update on the status every 6 months.

Best,
