RE: License #21-25823-01

Response to Appendix E: Information Needed for Transfer of Control Application:

1. Lafarge S.A., which owned Lafarge Midwest and Holcim, which owned Holcim US, Inc underwent a merger in July 2015 and became LafargeHolcim. The facility became part of Holcim US, Inc, but we still operate and use the Lafarge name locally. We need the name to reflect the new legal name of Holcim US, Inc.
2. As of March 2019, the designated radiation safety officer is Janelle Baier. An amendment to the license is in process.
3. No changes at the facility will occur as it relates to the licensed program
4. Licensee's facility is current on the requirements of the radiation safety program. Leak tests, audits, surveys, training and records have been completed as of March 2019.
5. Not applicable
6. Not applicable
7. Not applicable
8. Not applicable
9. Not applicable

Sincerely,

A handwritten signature in cursive script that reads 'Janelle K. Baier'.

Hello Janelle,

Thank you for returning my call this morning regarding your pending license amendment request. As we discussed, a record of our conversation is attached along with a copy of the change of control application we discussed.

Guidance for completing the Change of Control application can be found in NRC guidance document NUREG 1556 Vol. 15 Rev. 1 at the following link: <https://www.nrc.gov/docs/ML1618/ML16181A003.pdf>. Section 5 of this document provides detailed guidance for completing each section of the application.

Please provide your signed and dated response by no later than May 10, 2019. You may submit your response to me directly as an attachment via email, or to our regional office via regular mail or fax to 630-515-1078.

Please feel free to contact me at 630-829-9712 or send me an email if you have any questions.

Thank you,
Laura Cender
