Subject: [External_Sender] RE: RE: RE: Application XB1340 for export to Iraq

Jane,

The use of these Gauges will be in the southern region (Basra) and the Kurdistan area of Iraq.
The Gauges will not be distributed beyond these regions.

Humboldt has requested from the end-user the **Iraqi Radioactive Source Regulatory Authority issued appropriate Authorization Certificate for this import** and we will not ship until we receive their License.

Thanks, Mahir
