Gentlemen:

This supplements our previous letter to you, transmitting "Applicant Environmental Report Revised July 1972" by Pennsylvania Power and Light Company for Susquehanna Steam Electric Station, Units 1 and 2.

The AEC Regulatory Staff has analyzed the Environmental Report and supplements thereto, and has prepared a Draft Environmental Statement. Copies of the Draft Statement and the Federal Register notice of availability are enclosed. The notice of availability has been transmitted to the Office of the Federal Register for publication.

Request for copies of the Draft Statement should be addressed to the United States Atomic Energy Commission, Washington, D. C., Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Sincerely,

151

William H. Regan, Jr., Chief
Environmental Projects Branch #4
Directorate of Licensing
