Attention: Chief, Public Proceedings Staff

Gentlemen:

The Central Susquehanna Valley Chamber of Commerce is hereby advising you that we are seeking permission to testify at the public hearings that will be conducted by the Atomic Safety and Licensing Board on the issuance of a permit to the Pennsylvania Power and Light Company, authorizing their construction of the proposed Susquehanna Steam Electric Station, Units 1 and 2, in Salem Township, Luzerne County, Pennsylvania.

Sincerely yours,

A handwritten signature in cursive script that reads "S. Earl Snyder".
