Docket Nos: 50-387
50-388

Dear Mr. Regan:

Attached for your review are recent photographs taken at the Susquehanna Steam Electric Station, Units 1 & 2. These photographs were requested by Mr. S. Singh Bajwa of the NRC on a recent site visit and include the following:

1. View looking north, cir. water pumphouse on left, main power block in the center, 5/31/78.
2. Reactor and turbine buildings including radwaste bldg. looking south. Circ. water pumphouse on the right, 6/30/78.
3. Views looking west at river intake structure, 5/31/78.
4. View looking west at river intake structure, 6/30/78.

If you have any questions, please contact me.

Very truly yours,

N. W. Curtis
