Dear Mr. Chilk,

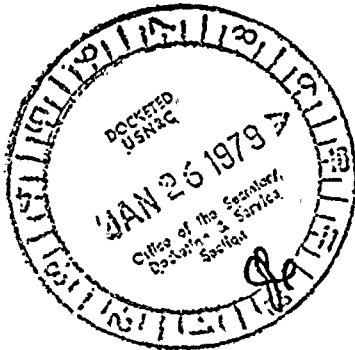

I write this to request the permission to make a limited appearance statement at the licensing hearings for the Pennsylvania Power and Light Company's Susquehanna Steam Generating Plant, the docket numbers of which are 50-387 and 50-388. I understand that the date for such statements is January 30.

I would also like to be put on the service mailing list for the hearings.

I look forward to hearing from you.

Sincerely,

John Boylan
