Dear Mr. Chairman:

On March 26, 1975, Mr. John T. Kauffman, Vice President of the Pennsylvania Power and Light Company, wrote you a most impressive letter having to do with the supply of nuclear fuel for their Susquehanna Plant. A copy is enclosed for your review.

Under all the circumstances as so well set forth by Mr. Kauffman, I am concerned with your reply.

I would appreciate hearing from you.

Sincerely yours,

DANIEL J. FLOOD, M.C.
