Subj. Limited Appearance Statement

Dear Mr. Chilk

Early in 1979, I believe the date to be Jan. 29, the NRC will be holding hearings to determine PP&L's fitness to own and operate the referred nuclear power plant. As a resident and concerned citizen, I would like to address the convenors of this hearing.

Please make the appropriate arrangements for me to make a Limited Appearance Statement at these hearings and notify me in writing that you have done so. Also, please advise when and where these hearings will be held. Thank-you.

Sincerely,

Mary Kelchner Creasy
